

Quality Assurance Director

CSM, a Fargo, ND based company providing clinical trial support services to pharmaceutical companies, is recruiting for a **full-time QA Director**.

The ideal candidate will have 5+ years of experience in the pharmaceutical or biotechnology industry, preferably in pharmaceutical contract manufacturing or drug packaging and labeling. Preferred candidates will have 3-5 years of QA management experience and working knowledge of equipment and computer validation.

Primary duties include: plan, coordinate and manage the QA department; write and review SOPs and validation plans; maintain a CAPA program; and serve as a QA liaison between CSM and clients.

To apply, please email your resume and cover letter, including salary requirements, to Human Resources at apply@csm-plus.com or mail to CSM, 342 42nd Street South, Fargo, ND 58103.
