

Project Manager/Team Leader

CSM, a Fargo, ND based company providing clinical trial support services to pharmaceutical companies, is recruiting for a **full-time Project Manager/Team Leader**.

The ideal candidate will have working knowledge of the principles and practices involved in clinical trial management in a GMP facility, ability to be a self-motivated learner who adapts quickly while making timely, independent decisions; must show a high level of initiative, prioritize work and possess excellent time management skills, and have the ability to change with a fast-paced business environment.

Primary duties include: daily management of project managers and project management associates, scheduling, provide client solutions/project management, write and enforce training and compliance of SOPs, act as a liaison between clients and CSM.

Preferred candidates will have: minimum four year degree, PMP certification, three years work experience in the pharmaceutical or biotechnology industry, and one year management experience.

To apply, please email your resume and cover letter, including salary requirements, to Human Resources at apply@csm-plus.com or mail to CSM, 342 42nd Street South, Fargo, ND 58103.
